Purpose:

- Increased understanding of the culture and people of Mexico especially those serving young people
- Mutual sharing of individual gifts, talents and knowledge of youth development and youth leadership
- Develop relationships with Calnali citizens in order to continue to communicate with and support each other over time
- Explore ways to continually support the work with young people in Calnali through connections in Indiana
- Increased understanding of the status of Latinos in Indiana through connections with Juana Watson at the Governor's Office on Latino Relations who will lead our group to Calnali.
